### THEORY TEST

- Contains all the new **OFFICIAL** questions valid for tests taken from 01/09/2008
- The only product with **3 unique learning quiz systems** to help you learn all the answers to the test questions with ease as part of studying the Highway Code, undertaking your driving lessons or by rote using the standard DSA categories
- **Unique pre-quiz learning tutorials and quiz hint popup** - with professional voice over
- **Interactive popup tutorial** about the Theory test with professional voice over
- **Highly realistic test simulator** using 6 pre-set mock tests or unlimited randomly generated tests - any weaknesses are automatically feedback for learning revision
- **Learning on the Move** - Extract MP3 files or download Podcasts of the official questions
- **Print exam papers** using our random mock test generator print and extract option
- **FREE LDC Theory Test question eBook** to search, extract or print worth £6.99
- **FREE Customer Advice centre** via internet forum

### HAZARD PERCEPTION

- **406 test realistic hazard perception clips** (all shot from outside of the car as on the real test) including the 10 DSA practice clips and test introductory video
- **3 Interactive tutorials about the test, HP skills and defensive driving** incorporating **30 hazard video examples**, animated illustrations and professional voice over throughout
- **14 Tutorials about each Hazard test type** together with the option to practice each type
- **Highly realistic test simulator using 28 unique properly balanced pre-set mock tests** or unlimited randomly generated tests or tests by specific hazard test type
- **HP test and clip reviewer** so you can see exactly where you clicked and where points are scored with time line drag bar player and graphical progress monitor
- **Weakest clips review and retest** graphically shows you which hazard types you are weak on and lists you 10 weakest clips for retest by hazard type and in total

### PRACTICAL DRIVING TEST

- **Full driving test video game** - play the role of the examiner, watch a full test and interact with the clip as you score points for spotting and marking faults committed
- **Interactive popup tutorial** about the driving test with professional voice over, 4 video sequences, 10 animations and various illustrations
- **Interactive tutorial** about the examiners marking system with professional voice over
- **Interactive highly illustrated training notes** on how to fix any driving faults

### LEARN TO DRIVE

- **20 Interactive driving lessons** incorporating over 50 interactive animations, video tutorials, illustrations and quizzes to show you step-by-step how to learn to drive using **LDC's** (the UK's third largest national driving school) highly acclaimed training system

### SHOW ME - TELL ME

- **Full video driving lesson on Show Me - Tell Me** by an **LDC** expert instructor
- **19 interactive mock test videos** covering each **OFFICIAL** question and correct answer

### HIGHWAY CODE +

- **Interactive Highway Code plus supplementary car driver and motorcycle rider notes**, all with professional voice over to view, search and print
- **Learning on the Move** - Extract MP3 files or download Podcasts of the above
- **FREE LDC Highway Code eBook** to search, extract or print worth £2.50

### SIGNS AND SIGNALS

- **Tutorials about the signing system** with professional voice over
- **3 interactive sign games** (Puzzle, Memory & Quick Fire) to make the learning fun
